EDUCATION

University of California, San Diego, La Jolla, CA — *Bioengineering: Bioinformatics (B.S.)*

September 2019 - June 2023

2nd year undergraduate student at UC San Diego

Martin Luther King High School, Riverside, CA — *High School Diploma*

August 2015 - May 2019

Graduated Summa Cum Laude with Highest Honors

EXPERIENCE

Riverside University Health System, Moreno Valley, CA — *Volunteer*

June 2016 - June 2019

Dedicated over 800 hours to consistently working alongside medical care staff and assisting them with their day-to-day tasks. These tasks included, but were not limited to:

- Bringing patients from the waiting room into their room in the clinic
- Taking and recording patients' vitals, history, and reason for the visit in the healthcare software Epic Systems
- Presenting patient cases to the MD that would be presiding over the case
- Restocking patient rooms with protective medical equipment and transporting lab specimens between medical units, clinics, and the laboratory

DECA, Martin Luther King High School — *Member*

August 2015 - August 2017

- Competed in business marketing competitions where I would be given a hypothetical business along with market statistics and I had to interpret the data such that I could make my best business proposal/sales pitch justifying why the hypothetical business could be of value to its respective industry
- Organized and participated in school-wide/community-wide fundraisers to help fund the program as well raise funds to donate to local charities
- Organized and participated in community street clean-ups as a way of directly helping our community

The Riverside Kingsmen, Martin Luther King High School — *Alto Saxophonist*

August 2012 - August 2016

Performed in concert halls, street parades, and stadium field settings:

- Concert Band – Performed alongside my fellow musicians (200+) during concerts and sports games (on and off-campus) to show support for my school community
- Marching Band – Performed alongside my distinguished Riverside Kingsmen (around Southern California) during: Street parade competitions where the group would be responsible for marching in a block formation and simultaneously playing exceptional music in a synchronized manner; Field competitions where the group would be responsible for marching into a vast number of formations on a football field while simultaneously playing first-rate music, ultimately creating an astonishing show for our audiences and judges.

SKILLS

Programming (Java, Python, MATLAB)

Data Structures
(implementing and applying)

Microsoft Office Suite

AWARDS

Academic Scholar Letter for outstanding academic achievement at King High School

AP Scholar with Honor in recognition of exemplary college-level achievement on Advanced Placement Program Examinations

President's Award for Educational Excellence in recognition of outstanding academic excellence
